

28th International Conference on Information Systems Development

3rd Call for Papers

ISEN
ALL IS DIGITAL!

ISD2019 – Deadline extended to April 15

We are delighted to invite you to submit a communication for the **28th International Conference on Information Systems Development** on the theme: **"Information Systems Beyond 2020"**. The ISD2019 will take place at the Higher Institute for Electronics and Digital Training in **Toulon, France**, on **August 28-30, 2019**.

Extended paper submission deadline

The deadline for paper submissions is extended from April 1 to **April 15**. After this new deadline, no submission will be considered. You can find the submission details [here](#).

Conference tracks

The ISD2019 conference, among other topics, focuses on:

- Society, Trust and Ethics in ISD
- Exploring New Media in ISD
- Information Systems Methodologies and Education
- Managing ISD
- Current topics in ISD

Publication Plan

The ISD Proceedings will be published in the Association for Information Systems (AIS) eLibrary. In addition, a selection of the best papers (by invitation) will be published Springer as a separate volume of the Lecture Notes in Information Systems and Organization series (indexed by Scopus; subject to final approval).

Keynote speaker David Langley

David Langley is a senior scientist at the leading Dutch applied research organization TNO, Professor at the University of Groningen and columnist for the Dutch Financial Times. His work has appeared in leading academic journals including Journal of Product Innovation Management.

Keynote speaker Daniel Kaplan

Daniel Kaplan is a futurist and entrepreneur. In the 1990's, he contributed to the Internet's development and evolution. From 2000 to 2017, he run the non-profit Think-&-Do-Tank Next-Generation Internet Foundation (FING). Since 2017 he has been working on the Plurality University project.

Prototype Exhibition & Welcome Cocktail

The welcome cocktail will be served on August 28 and run in parallel with prototype showcasing on the ground floor of the building.

Gala Dinner

The Gala dinner will take place on August 29 at a trendy Côte-d'Azur restaurant located on the seaside.

Industrial Track "Soft City"

Co-located with the scientific conference, a space gathering academic and industrial partners to imagine how the "hard" part of the city – i.e. data marketplaces and digital infrastructure will serve the "soft" part of it – people, processes and lifestyles. The track is sponsored by the Alliance for Internet of Things Innovation and the local partners Toulon Var Technologies and Toulon Provence Metropole.
